**E** **F#m7** **B7**  
You can hear the songbirds singing, and you watch the clouds roll by.

**F#m7** **B7** **E**  
Then you're walking in the valley as the sun shines in a clear blue sky.

**A** **G#m7** **C#7**  
You're welcoming your loved ones, and you can't believe your eyes.

**F#m7** **B7** **F#m7** **B7** **E**  
Yes, this earthly paradise was just around the corner.

**E** **F#m7** **B7**  
There's a house down in the valley and a house high on the hill.

**F#m7** **B7** **E**  
There is singing by the river as the water flows and turns the mill.

**A** **G#m7** **C#7**  
The golden fields are waiting. Let the harvesting begin.

**F#m7** **B7** **F#m7** **B7** **E**  
Once the world we're living in was just around the corner.

**A** **G#m7** **C#7**  
It's great to share with friends who care the things that we looked forward to.

**F#7** **B7**  
Now every tear has disappeared. The world is young and life is new.

**E** **F#m7** **B7**  
There's the sound of happy voices and the scent of new mown hay.

**F#m7** **B7** **E**  
Now you're calling to your loved ones as you start another perfect day.

**A** **G#m7** **C#7**  
Then we thank our God, Jehovah, for his tender loving care.

**F#m7** **B7** **F#m7** **B7** **E**  
Yes, the blessings we all share were just around the corner.

**A** **G#m7** **C#7**  
And ev'ry day I smile and say, "How good to see your happy face!"

**F#7** **B7**  
'Cause once, it seemed, I only dreamed that you'd be in my warm embrace.

**E** **F#m7** **B7**  
Waiting 'round the corner is a world I long to see.

**F#m7** **B7** **E**  
It's a promise from Jehovah. It's a guaranteed reality.

**A** **G#m7** **C#7**  
And it's hard to get downhearted when I think of what's in store.

**F#m7** **B7** **F#m7** **B7** **E**  
It's the day I'm waiting for, and it's just around the corner. x 2 (as a conclusion)
